The future shape of the German corporate landscape will also be influenced by Chinese investors.

GSK is a leading, independent commercial law firm with international reach and offices in Berlin, Frankfurt am Main, Hamburg, Heidelberg, Munich and Luxembourg. Today, our clients can call upon more than 180 lawyers with outstanding reputation handling both national and international work for our clients.

Our China Desk comprises a number of experienced senior advisors who have worked for international and German law firms with long standing experience in China as lawyers, strategy advisors and member of supervisory boards. We have senior advisors who have worked and lived in China for decades as well as native Chinese-speaking lawyers who are qualified in Germany. Finally, we are honored to have a former German ambassador in our team who during his diplomatic career has served three times in Asia (Vietnam, Japan and Singapore).
