## Commercial

Supplier relationships play a key role in day-to-day operations. However, increasing digitisation, disruptive business models and customised contract designs constantly bring new challenges. With GSK Stockmann by your side, you benefit from the unrivalled experience and expertise of a trusted partner. We draft and negotiate contracts for both suppliers and customers – regardless of your position in the supply chain. Always thinking ahead from your individual perspective, we tailor our approach to provide interdisciplinary, all-round solutions that cater perfectly to your business needs.

We have particular expertise in the following areas:

- Joint ventures and cooperative ventures in the fields of R&D and production
- Drafting contracts for the delivery and supply of goods, production and services, including consignment stock agreements
- Warranty
- Product safety and product recalls
- Product liability and general product liability issues
- General terms and conditions
- Quality assurance agreements
- Contract management
