

DISPUTE RESOLUTION

Developing strategies,  
asserting interests.

## Litigation, arbitration proceedings, alternative dispute resolution

Complex commercial disputes present a huge challenge for businesses. There are often times when disputes cannot be avoided. Globalisation and cross-border issues are rapidly increasing the complexity of such disputes.

Whether in the context of an existing or a potential dispute, we work together with our clients to resolve the frequently complex commercial and technical issues and evaluate the opportunities and risks prior to legal proceedings. We represent our domestic and international clients, both out of court and before German judicial and arbitration courts and international arbitration courts. For cross-border issues, we work closely with a select group of reputable law firms in the respective countries. We have particular expertise in the following areas:

### Protecting and defending your rights

- Litigation
- Arbitration
- Alternative dispute resolution (ADR) including mediation
- Interim legal protection
- Class actions
- Enforcement

### Main areas of expertise

- Post-M&A
- Corporate and commercial disputes / joint ventures
- Commercial, distribution law, IP / IT law
- Energy, public sector, plant engineering
- Real estate and construction law
- Banking litigation
- Employment law, tax law
- Succession issues and restructuring family businesses

➤ Our strength lies in our commitment to our clients. We deploy our professional expertise and experience to deliver the best possible results in complex disputes. We develop tailored strategies to achieve your specific objectives.
