➤ Our many years of experience contribute to creating the perfect legal structure for your financing needs and developing solutions tailored to you.

## Financing

Financing plays a key role in the economy. We offer comprehensive advice on all financing concerns, with a special focus on real estate, business acquisitions, leasing, factoring, project financing and structured financing. We have particular expertise in financing hotel properties, shopping centres and major project developments. In addition, we are happy to assist you with the following:

- Drafting and negotiating financing contracts
- Ongoing advice in credit relationships
- Breaches of loan agreements, syndication, debt rescheduling or transferral of contracts
- Advisory services in the field of investment law
- (Finance) due diligence
- Conducting law suits for banks and financial service providers

## Restructuring

We will help you identify and minimise future financing risks and thus mitigate negative effects in a potential crisis. Within the given legal options and applying economic considerations in each case, we safely and pragmatically guide you through every transaction. We have particular expertise in the following areas:

- Refinancing
- Restructuring complex finance structures
- Restructuring agreements
- (Finance) due diligence
- Insolvency law
- Selling securities
- Foreclosures and receivership
