M&A

We regularly advise on domestic and cross-border acquisitions and sales as well as mergers of medium-sized and large, nationally and internationally operating companies or listed corporations. We have expert industry knowledge in the automotive, health, energy and real estate sectors. Over the years, we have also regularly advised companies in the banking, financial services and IT industries on acquisitions, sales and joint ventures. We also work with selected partner law firms abroad to handle large, multinational transactions in multiple jurisdictions. We have particular expertise in the following areas:

- Initiation of transaction with letters of intent and non-disclosure agreements
- Organisation of bidding in sales processes
- Seller and buyer due diligence
- Structuring the transaction
- Drafting and negotiating company purchase agreements
- Public M&A, public takeovers and squeeze-outs
- Joint ventures, venture capital, private equity and management buyouts
- Sale/acquisition in the event of insolvencies, distressed M&A transactions
- M&A transactions involving the public sector

➤ We take a 360-degree approach to our clients' needs: After building the perfect team, we guide you through the transaction, overseeing every last detail and finding solutions which drive your success. This is how we ensure that your transaction reaches its goal.
