

PRIVATE EQUITY / VENTURE CAPITAL

Structuring investments,
promoting growth.

YOUR PERSPECTIVE.
GSK.DE | GSK-LUX.COM

➤ Financing often relies heavily on venture capital and equity capital. We offer advice and support to both parties – whether you are an investor or a company seeking capital.

Venture capital

Speed is of the essence for new start-ups. Their success also often depends on deploying limited resources as efficiently and effectively as possible. Accordingly, our highly-integrated teams – all of whom have years of experience advising on transactions – network with colleagues in other specialist fields to offer your company professional advice and tailored support. Our areas of expertise include:

- Examining and establishing business models
- Management and employee shareholder schemes
- Legal and tax due diligence
- Investment and shareholder agreements
- Exit strategies

Private equity

We advise investors and family offices in Germany, Luxembourg and other countries on all aspects concerning the structure and establishment of their funds. We also provide advice and support with investments by the funds and with ongoing asset management. Our client base includes not only professional investors, but also companies requiring capital and their shareholders. We always focus our knowledge and sector expertise to advise our clients – in industries as diverse as automotive & mobility, energy/smart grid, FinTech/blockchain, healthcare and real estate/Prop Tech. Our areas of expertise include:

- Funds structuring
- Transactions
- Acquisition financing
- Advice and support with exits
- Asset management
