### Focus Survey: GSK Stockmann ranked among Germany's TOP commercial law firms 2020

**In its current issue, the news magazine has awarded GSK Stockmann in the category TOP law firm 2020. GSK Stockmann is one of the most frequently recommended law firms in Germany, in particular in the specialist areas of banking, building law and real estate.**

FOCUS-SPEZIAL recognises Germany's TOP commercial law firms for the eighth consecutive year. The ranking is based on recommendations made by peers in other law firms and in-house legal teams.

For the current ranking, *Focus* conducted a survey among 10,500 specialist lawyers from commercial law firms. Around 1,340 business lawyers and 200 in-house lawyers took part in the survey carried out by independent research analysts from FOCUS Line Extensions who interviewed them on a total of 21 specialist areas. 374 commercial law firms were selected to appear on the top list based on more than 1,540 expert reviews.

GSK Stockmann was recommended by peers and clients both across disciplines and in the specialist areas of banking, building law and real estate.
